Asterix, Obelix, Blanka a Jā

Divoké bretaňské lesy a rokle jsou opředeny desítkami mýtů, pověstí a pohádek...
V Bretani objevíte kromě středověkých městeček nádherné pobřeží, na němž se strmé útesy střídají s romantickými zátokami a písčnými plážemi...
Putování po kalváriích – jedinečné památky z pozdního středověku...
Tajemná minulost – menhiry, dolmeny a legendy...

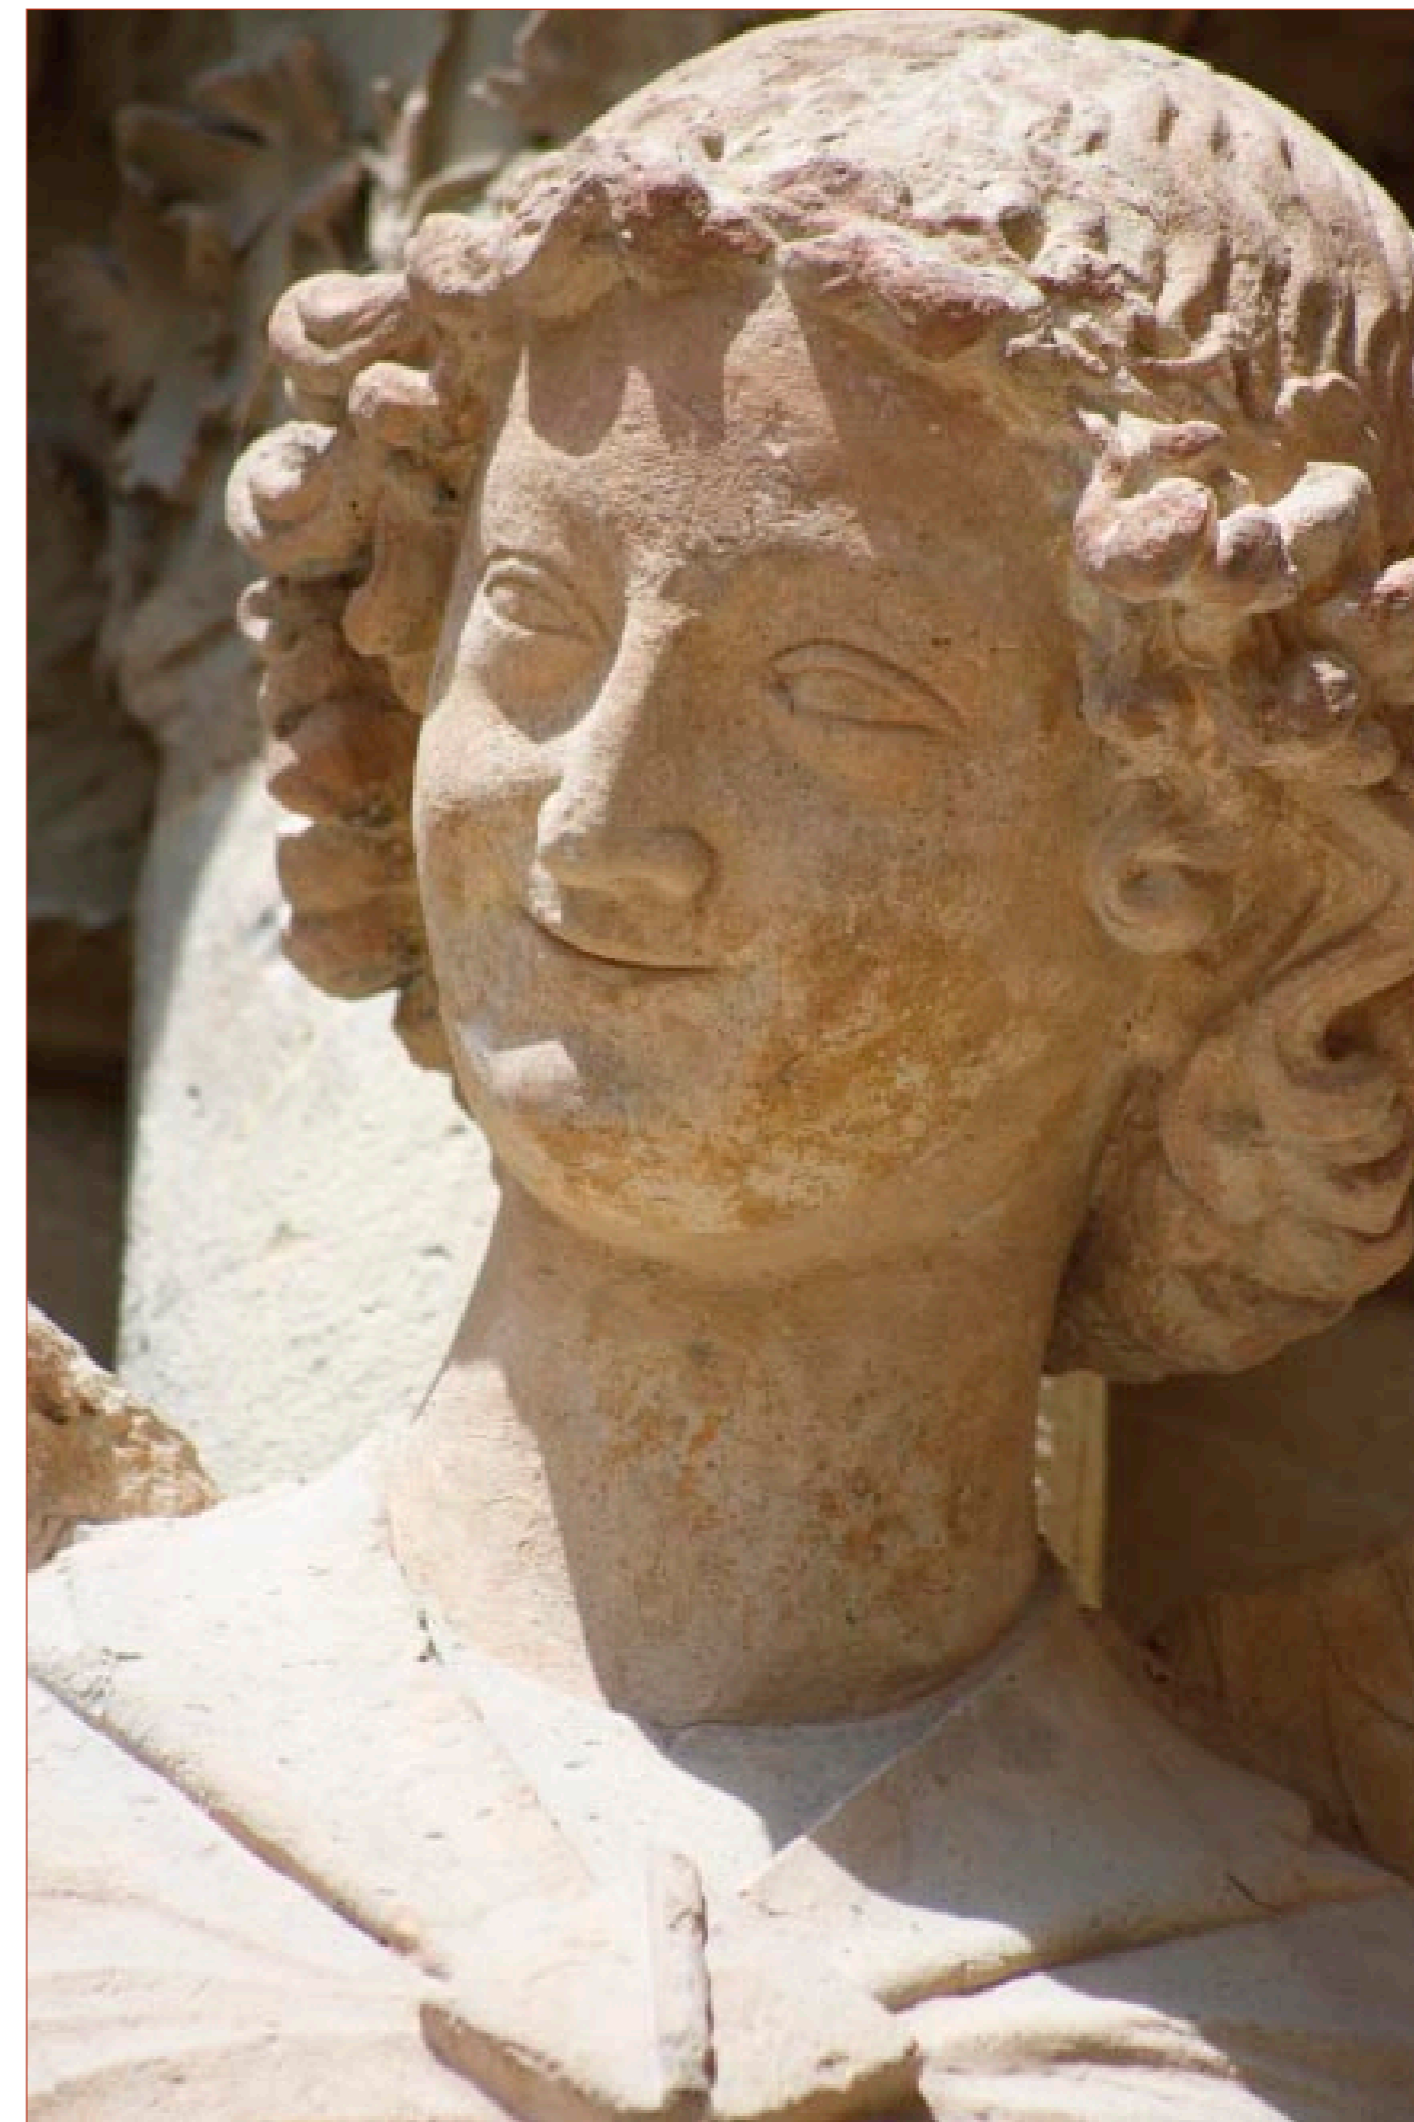

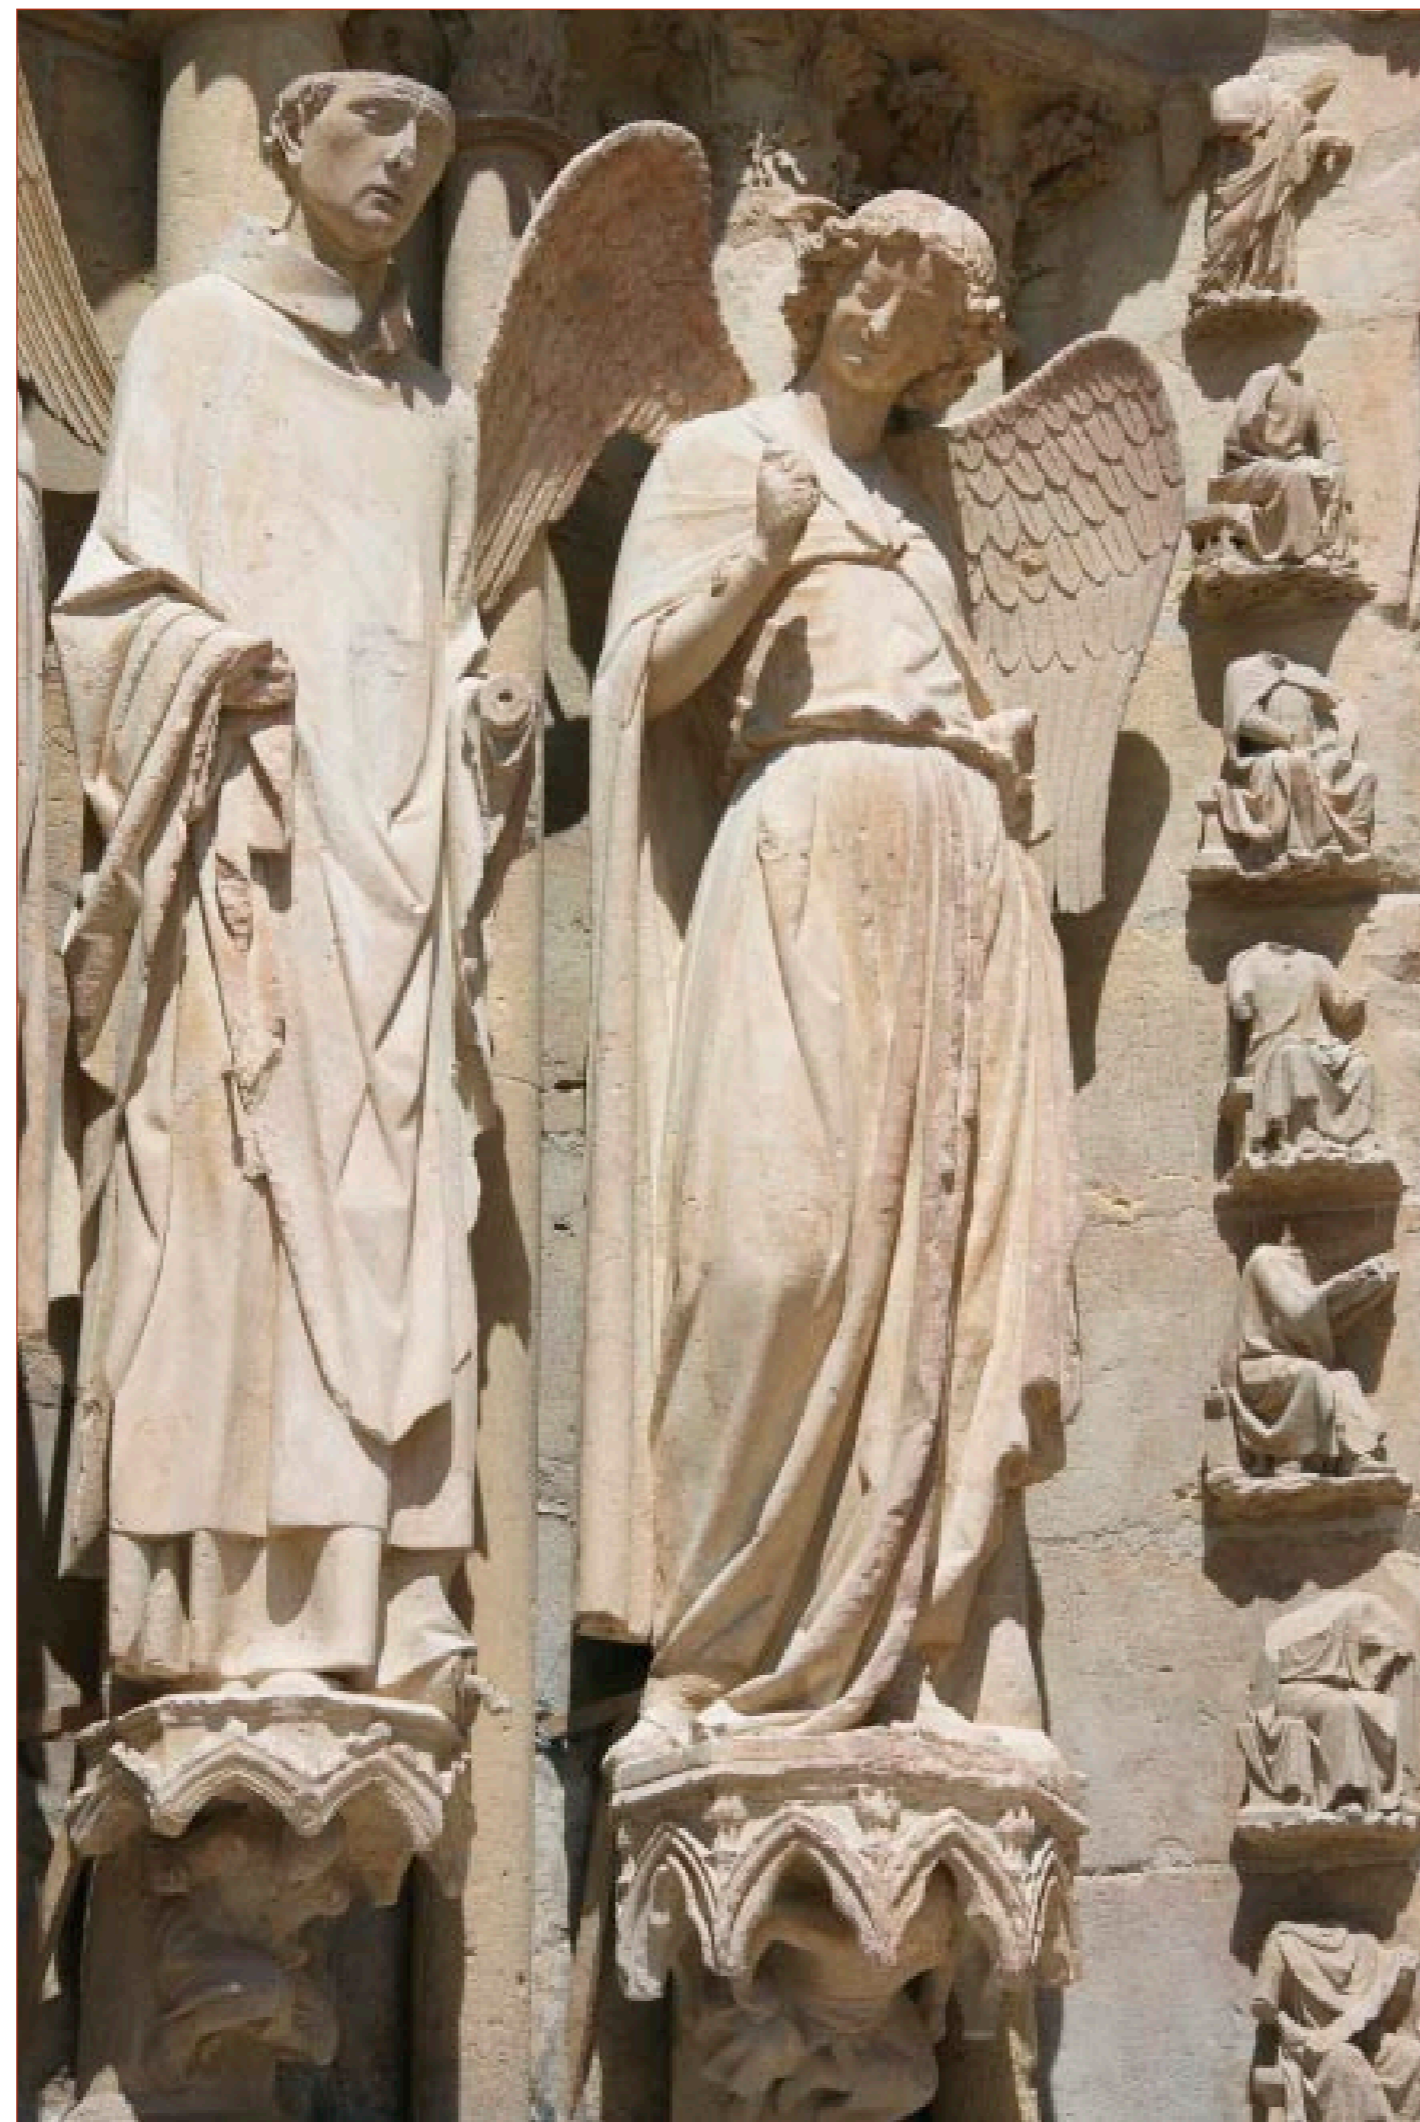

Tolik titulky a popisky z průvodce. Jaké to bylo? Krásné. Ještě teď vnímám ten pocit kdy přelézám po skalách a balvanech na pobřeží, nebo se brodím v ustupujících vodách oceánu. Kdy obcházím kamenné kalvárie, kostelíky i katedrály. Kdy procházím mezi hrázděnými domy v uličkách středověkých měst. Kdy se snažím z bezpočtu obrazů, které jsou všude kolem vybrat ten pravý, ten který snad přežije onu chvíli a vrátí ten pocit i za rok nebo deset let a který, třeba, přenese část té krásy i na diváka. Jen ty mýty a legendy mě moc nevzaly. Král Artuš, Merlin ani Morgana mi moc neříkají a ze slavných Galů znám jen Asterixe a Obelixe.
